

# 3 Steps

## to Becoming a Microsoft Cloud Solution Provider

### Easily offer and integrate Microsoft cloud solutions for your customers.

Through the Microsoft® Cloud Solution Provider (CSP) program, Insight enables your company to add Microsoft products to your portfolio while you continue to run your business hassle-free.

### Getting started is **easy**.

1.

#### Quote

Receive a discounted CSP quote from Insight by speaking with a Microsoft sales representative.

2.

#### Sign

Sign an agreement with our Microsoft CSP team.

3.

#### Onboard

Get on a call to set up your tenant and get everything you need to have licenses in hand.
