

## Why Insight and U.S. Communities?

At Insight Public Sector, we define, architect, implement and manage Insight Intelligent Technology Solutions™ that help your organization run smarter. Our strong supply chain optimization and workplace solutions combined with our data center transformation expertise and modernized applications keep business running, foster flexible work environments and put you at the forefront of innovation.

- Exclusive access to low pricing through public sector contracts
- Experienced IT specialists ready to help
- Strong client relationships that support your entire IT lifecycle
- Customized solutions that drive efficiency and reduce costs
- Flexible, convenient ways to manage technology through leasing

### How our U.S. Communities contract helps your organization

As a U.S. Communities contract holder, Insight is uniquely positioned to sell both technology products and IT services, including solutions from Apple, Cisco, Citrix, Commvault, Dell EMC, Hewlett Packard Enterprise, HP Inc., Microsoft, Lenovo, NetApp, Panasonic, Symantec, Veritas and VMware.

By taking advantage of our competitively solicited U.S. Communities Contract for Technology Products, Services, Solutions, and Related Products and Services, you're assured our best available price on our full portfolio of products and solutions.

- Save time and money with no user fees or comparison shopping.
- Eliminate duplicated efforts by countless agencies.
- Leverage economies of scale with no minimum purchase requirements.

	Workplace Services		

## About U.S. Communities

The U.S. Communities Government Purchasing Alliance partners with public agencies to find solutions that benefit procurement professionals. Simply put, U.S. Communities was founded by public agencies for public agencies.

It goes beyond providing outstanding contracts. Together with its supplier partners, U.S. Communities is committed to offering comprehensive business solutions that help organizations maximize cost control while improving operational efficiencies and performance.

U.S. Communities takes great pride in not only providing resources, but also in serving as a resource, with innovative offerings including an online shopping portal, educational webinars and trainings, and a green purchasing program. U.S. Communities is the gold standard when it comes to honest and effective public procurement. Learn more at [uscommunities.org](http://uscommunities.org).

## About Insight Public Sector

Insight Public Sector is proud to have served public entities for more than 20 years. We offer hardware and software from the world's leading manufacturers and publishers, in addition to advanced IT services and solutions.

Our mission is simple: to assist state, local and federal government agencies, educational institutions, public safety entities and nonprofit organizations in leveraging technology to cost-effectively deliver on their mission to the public.

To learn more ways Insight can help you deliver on your mission to the public, contact us at 800.546.0578 or [uscommunities@insight.com](mailto:uscommunities@insight.com). Or visit [ips.insight.com/uscommunities](http://ips.insight.com/uscommunities).
